

Christmas Planner

Christmas 2020 review

What went well last Christmas and what experiences do we want to repeat?

What wasn't worth repeating?

Which gifts were a hit, and which weren't?

What did we forget to buy but really needed?

How can I carve out some time for myself this festive season and how will I spend that time?

Which family traditions do we still enjoy, and which need to be culled?

Which recipes/foods would we like to repeat this year?

Which charities would we like to support this year?

How do we want Christmas to feel this year?

Who do we want to spend Christmas with?

What experiences would we like to have as a family?

What experiences would we like to have a couple?

How can I make Christmas enjoyable for myself?

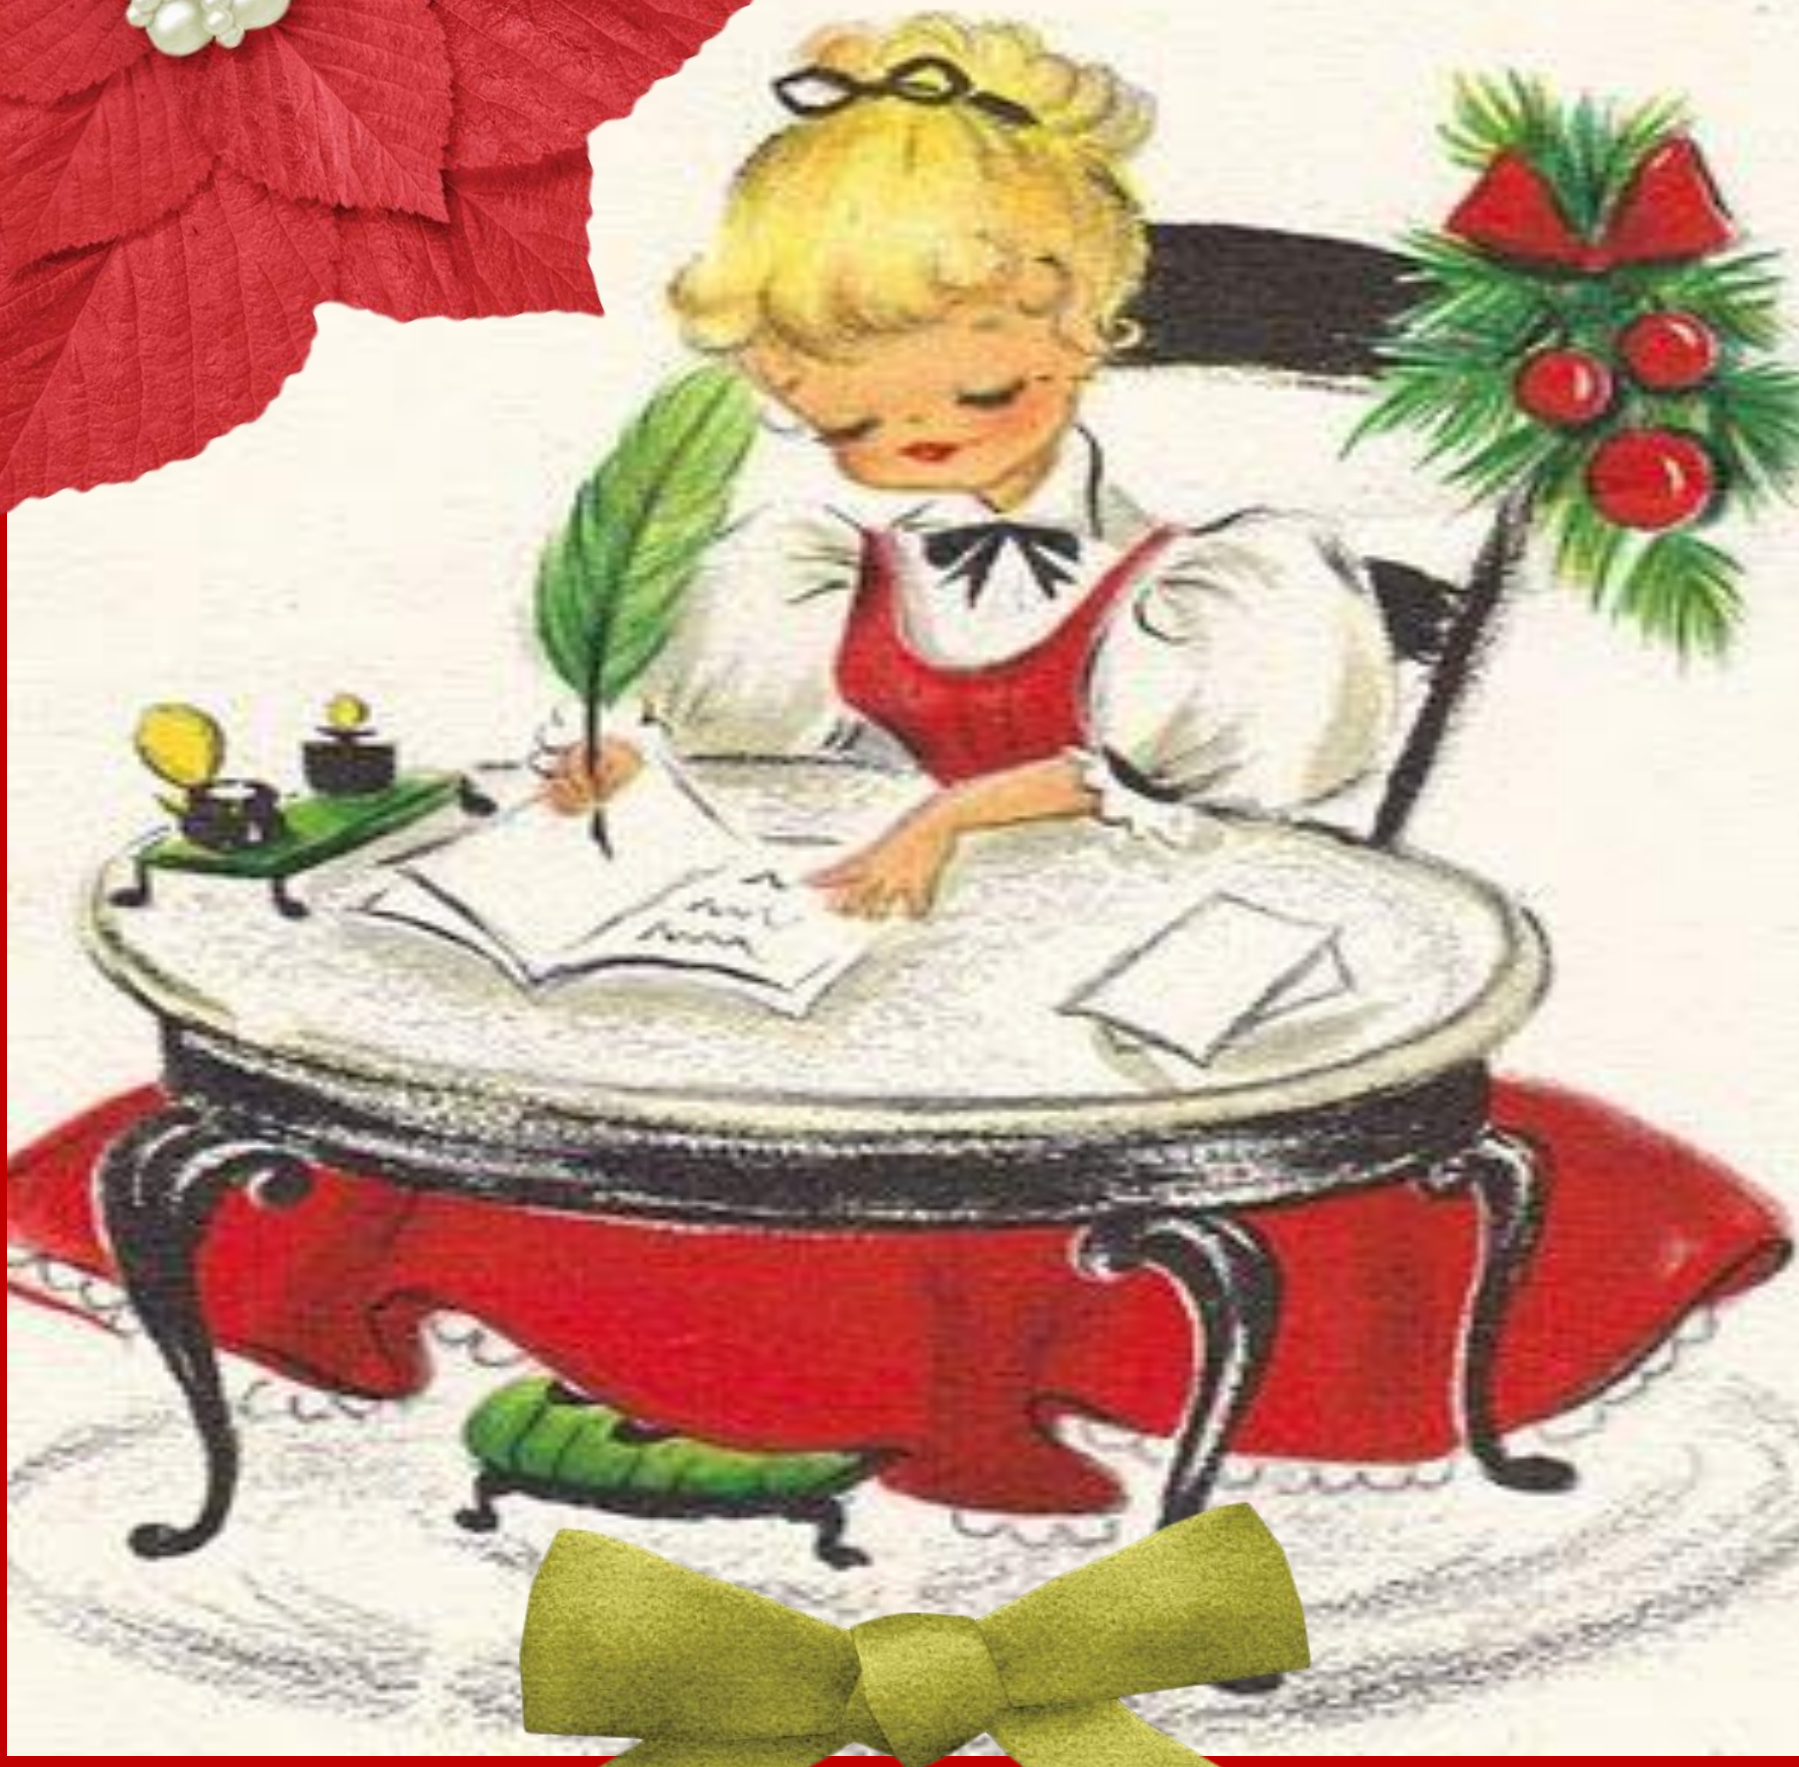

Mum's plans to relax

Don't forget!
